

## UNIQUE FIRE SUPPRESSION PANEL

**RM1,130.00**

SKU: N/A | Categories: [Fire Suppression Systems](#) |

### PRODUCT DESCRIPTION

#### TECHNICAL DATA

|                   |                        |
|-------------------|------------------------|
| Model             | FSP-02                 |
| AC Input Voltage  | 240VAC $\pm$ 10%, 50Hz |
| DC Output Voltage | 22 - 26VDC             |

|   |  |
|---|--|
| <b>Standby Battery</b>                    | 24VDC Rechargeable SLA Type                              |
| <b>Charger Output (Voltage / Current)</b> | 27.6VDC / 0.6A   |
| <b>Fuses</b>                              | 2A   |
| <b>Alarm Zone EOL Resistor</b>            | 4.7k ohm, 1/4W, 5% Carbon                                |
| <b>Bell / Tripping EOL Resistor</b>       | 4.7k ohm, 1/4W, 5% Carbon                                |
| <b>Bell / Tripping / Output</b>           | 22 - 26VDC   |
| <b>System Standby Current</b>             | 80mA   |
| <b>Input / Output Contacts</b>            | Normally Open Voltage Free                               |
| <b>Chassis Colour / Material</b>          | Mild Steel Metal Casing Coated with Red Epoxy            |
| <b>Cabinet Dimension (W x H x D)</b>      | 362 x 300 x 98mm (Indoor)<br>400 x 352 x 140mm (Outdoor) |
